All the while, the company has remained a family-run business since its inception in 1860.

MAKE EVERYDAY A WALK IN THE PARK

As its name suggests, Le Parc draws considerable inspiration from its beautiful natural surroundings. Directly across the street from the building's front entrance is a winding path through the grass leading to Simpson Park Hammock. This is Brickell the way it was when the area was first developed – and yet – it is also the future of park enjoyment with a visitors center built of original limestone rock, and an interior dining and picnic space.

And, as Brickell continues to grow to be more family oriented, the planned dog-friendly area at Simpson Park will make a welcome addition for the pet-friendly atmosphere of Le Parc. Dog walk paths, gated play areas with large and small-dog designations, watering stations, and more guarantee fun for every resident.

Known throughout South America for their trademark mix of upscale amenities and accessibility, Atton Hotels has chosen this unique site for their first U.S. flagship.
