

# **VISION**

A new chapter in residential sophistication. Here, the idea of a life well lived has been completely transformed so that the beauty of nature and the convenience of state-of-the-art lifestyle amenities exist in perfect balance with one another. Aria Reserve brings the tallest waterfront, residential twin towers in the United States. The iconic profile in the heart of Miami, and prestigious waterfront position on Biscayne Bay, makes Aria Reserve feel like a private estate hidden away from the rest of the world. The uniquely modern relationship between design and nature creates an atmosphere of total serenity.

THE TEAM

#### **DFVFI OPFR**

Since 2001 the Melo Group has been leading the way in visionary real estate development and creating South Florida's most prominent neighborhoods. Fueled by more than 50 years of international experience in the industry, and decades of development success in South Florida, one of the world's most competitive development landscapes, The Melo Group is a proven leader in the field, united around a strong family core. By concentrating on development, The Melo Group has been able to consistently deliver iconic, successful properties in every kind of market. The Melo Group was one of the first developers to put Miami's Upper East Side on the map. Since that time, they have continued to be visionaries for "what's next" in South Florida, with a strong strategic focus on innovation and properties that redefine the greater community.

## **ARQUITECTONICA**

#### ARCHITECT

Based in Miami and with nine international offices,
Arquitectonica is known for its bold modernism, which sparked
an architectural renaissance in Miami. Founded in 1977 by
principals Bernardo Fort-Brescia and Laurinda H. Spear, the
company continues to push the limits of the built world,
incorporating an innovative use of geometry, pattern and color
to present a distinctive brand of humanistic modern design.
Today the practice spans the globe, with projects in 58
countries on five continents. Arquitectonica has received
hundreds of design awards for projects that include the
Microsoft European Headquarters in Paris, the Bronx Museum
of the Arts in New York City, the International Finance Center in
Seoul, the SM Mall of Asia in Manila, the Banco Real Santander
Headquarters and the WTorre Plaza in São Paulo, and the
AmericanAirlines Arena in Miami.

## **ARQGEO**

#### LANDSCAPE ARCHITECT

Founded in 2005 by Laurinda H. Spear,
Miami-based ArquitectonicaGEO has been designing
contemporary, technologically informed landscapes to meet
the challenges of our changing environment. Their projects aim
to address ecological objectives while adding value to a
community by improving performance and livability. Their
commitment to sustainable design, provides passive and
active opportunities for a deeper understanding of emerging
environmental issues. Since its founding, the firm has flourished
under the additional leadership of Director, Margarita Blanco,
LEED AP, ASLA. In 2015, ArquitectonicaGEO received the ASLA's
General Design award for their work on Perez Art Museum
Miami. Other projects include Brickell City Centre-East Miami
Hotel, PortMiami Tunnel, and the Phillip and Patricia Frost
Museum of Science.
