NORTH DEVELOPMENT

Developer

North Development was founded when two entities, both with ample knowledge and experience gained from successfully developing innovative projects, joined forces. Oak Capital is a real estate investment and development company whose founder, Ricardo Dunin, has over 35 years of experience in the US and Brazil. He was responsible for the development of three Ritz-Carlton Residences (Miami Beach, Singer Island, and Pompano Beach), the development and brand creation of Le Sereno Hotel in St. Barth, and the development of 12 hotels with Accor in Rio de Janeiro. Edifica is a major real estate developer, builder, and fund manager from Peru, with over 17 years of experience and over 60 delivered projects.

Given their complementary experiences and skill sets, they bring a wealth of expertise to create a sophisticated brand. North Development's mission is to develop ground-up FLATS (Flexible Apartments for Temporary Stays) that maximize value for investors and create comfortable guest experiences. Focusing on quality and innovation, it aims to set itself apart in the marketplace and become a trusted name in the hospitality industry.
