CASA TUA

Brand | casatualife.com

Founded by Miky and Leticia Grendene, Casa Tua's flagship Miami Beach location opened in 2001 as a welcoming place for friends, family, and guests from around the world to come together to celebrate life. Pioneering the members club concept in Miami, Casa Tua combines art, entertainment and fine dining with a signature Italian style where simplicity meets sophistication. It has since expanded to locations in Aspen and Paris, with New York City opening in 2023. The brand also launched Casa Tua Cucina in partnership with Richard Baker and Saks Fifth Avenue, an award winning Italian open kitchen concept, located in Miami's Brickell City Centre. A second extension of the Cucina brand will open in Wynwood.

ARQUITECTONICA

Architecture | arquitectonica.com

Founded in 1977, Arquitectonica introduced a bold modernism that almost instantly sparked a renaissance in Miami's urban landscape. The firm has since designed many of Miami's most recognizable buildings and holds a major presence on the world architectural stage. Arquitectonica's own brand of humanistic modern design can be seen in the firm's world-renowned projects including Microsoft Europe Headquarters in Paris, Westin Times Square in New York, Banco Santander Headquarters in Sao Paulo, and the US Embassy in Lima, among others.

M²ATELIER

Interior Design | m2atelier.com

m²atelier is the architecture and design studio founded in Milan by the duo Marco Bonelli and Marijana Radovic, a couple in life and work. Born from the fusion of the two founders' previous activities, the atelier brings together complementary experiences, cosmopolitan perspectives, and multidisciplinary categories. The perimeter of its research is very broad and embraces different scales and contexts: architecture, interior design, fashion retail and product, with a distinct predilection for yachting. The numerous and consolidated collaborations with some of the main global players in their respective fields, together with a long list of extremely significant projects and clients located everywhere on the planisphere, make m²atelier an authoritative signature on the international design and architecture scene.

ARQUITECTONICAGEO

Landscape Architecture | arquitectonicageo.com

Founded in 2005, ArquitectonicaGEO is an award-winning design studio specializing in landscape architecture, planning, and urban design. ArquitectonicaGEO, led by Laurinda H. Spear and Margarita Blanco, has elevated the conversation about the important role landscape architecture plays—as well as the contributions it can make—in the face of climate change and sea level rise.
