

THE
DELMORE
SURFSIDE MIAMI

THE DELMORE: AN EXCLUSIVE OCEANFRONT RESIDENCE

The Delmore offers an unparalleled oceanfront collection of 37 expansive mansions, located in the prestigious Billionaire’s Triangle of Surfside, Bal Harbour and Indian Creek Village. This 12-story boutique residence, designed by Pritzker Prize-winning Zaha Hadid Architects combines serene coastal living with access to Miami’s vibrant cultural scene. Embrace the art of elevated living, with remarkable amenities and bespoke services that set a new standard of luxury.

BESPOKE SERVICES

The Delmore offers unparalleled residential services, mirroring the white-glove standards of exclusive five-star hotels. Residence manager, concierge, and personal butlers anticipate resident’s every need.

PROPERTY & BUILDING FEATURES

- Prime Oceanfront Location: Situated on two acres with 200 linear feet of pristine beachfront.
- Architectural Vision: Designed by Zaha Hadid Architects, the building harmonizes with its natural surroundings.
- Exclusive Residences:
 - 37 residences (approximately 4,400 to over 12,000 sq ft)
 - 5 Penthouses (information available upon request)
- Distinguished Arrival Experience: Grand entry porté cochere leading to a double-height, glass-ceilinged lobby.
- Iconic Lobby Design: The Canyon design links East to West, visually connecting your arrival to the ocean.
- Rooftop Oasis: Rooftop glass-bottom pool, suspended 125 feet above the Miami Beach skyline, offering a unique blend of modern design and breathtaking views.
- Sustainability: LEED Silver certification.
- Over approximately 55,000 sq ft of amenity space.
- Private temperature-controlled parking garages per residence.

RESIDENCE FEATURES

- Spectacular Views: Unobstructed vistas of the Atlantic Ocean, Biscayne Bay, and Miami skyline.
- Spacious Floor Plans: Residences up to over approximately 12,000 sq ft with exquisitely designed interiors by Hirsch Bedner Associates.
- Elevated Privacy: Private elevator entry foyers.
- Wraparound Terraces: Expansive outdoor spaces designed for relaxation and entertainment.
- Bespoke Kitchen Design: Custom kitchens and wardrobes designed by Hirsch Bedner Associates with sculptural marble islands and separate chef’s kitchens.
- Luxurious Primary Bathroom: Featuring natural stone, custom bathtubs, bespoke fixtures, and an indulgent shower with steam, rain shower, and body jets.
- Smart Home Technology: Advanced pre-wiring for high-tech audio/visual systems, smart lighting, and automated window treatments.
